Elgin, Oregon 97827

In regards to your request for a price to build and asphalt cement parking and drive through traffic street at Post Office and Auto Part Building:

Our Firm will excavate and shape subbase so water will drain to Hwy 204 and to north side of street at the Opera House to catch basin. The drain ditch along side the railroad tracks at recycle bins should be replaced so that water will drain to the lawn area behind Opera House. We will place and compact 8 inches of 3"-0" crushed rock and pave with a 3-inch compacted mat of Class C Asphalt. Area is approximately 25,110 square feet.

Our Firm's price is \$ 68,410.00.

Our Firm's price for traffic control lines, signs, arrow, parking lines and 12 parking curbs on bank behind Hardware Store, vacant lot and Burnswick will be \$ 1,860.00.

The price quoted for the above work does not include prevailing wage rates. If these wages are to be included please contact our Firm and inform us of the correct wages to use.

Performance of work contingent upon weather and labor conditions.

Payment to be made as follows: Ten days following date of billing.

Signature

Note:

This proposal may be withdrawn by us if not accepted within 30 days.

ACCEPTANCE OF PROPOSAL – The above prices, specifications & conditions are satisfactory & hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
